Userguide

HRMS PROMO MODULE VERSION 2

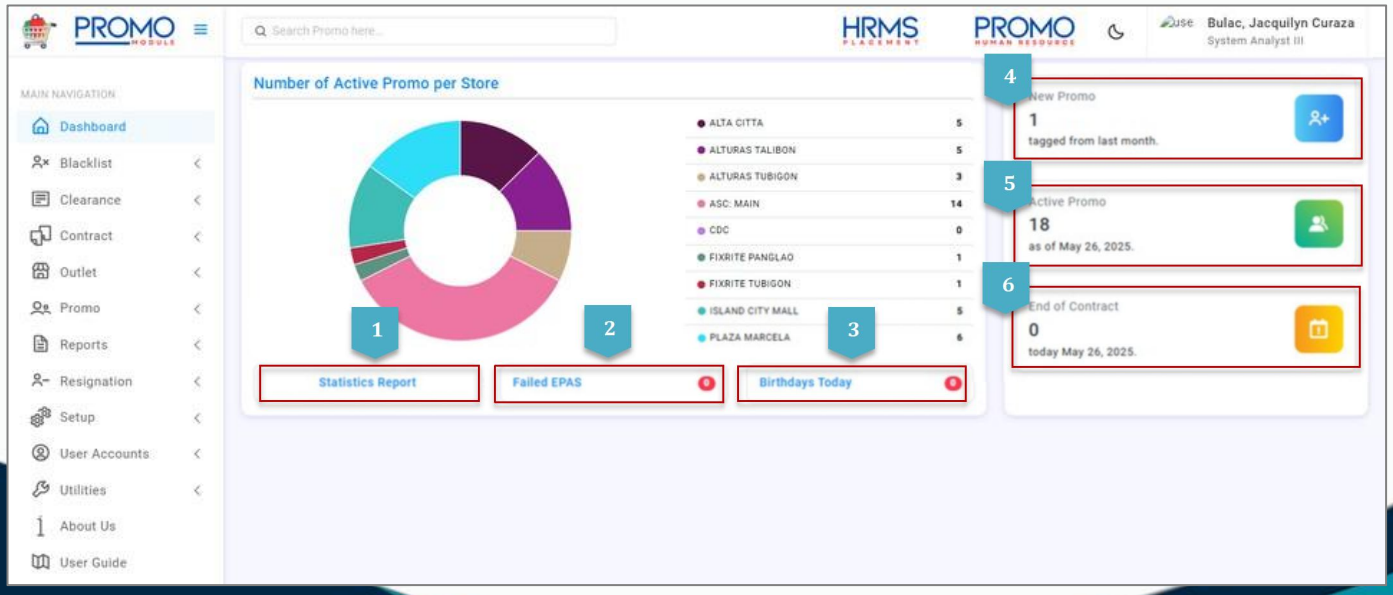

LOG IN

Enter your Username and Password, then click the "**Log in**".

PROMO MODULE -DASHBOARD

1. Click "**Statistic Report**" to generate a report of Promo Employee statistics.
2. Click "**Failed EPAS**" to view Promo Employees who have failed their EPAS.
3. Click "**Birthday's Today**" to view today's Promo Employee birthday celebrants.
4. Click '**New Promo**' to view newly Hired Promo Employees.
5. Click '**Active Promo**' to view all active Promo Employees.
6. Click '**End of Contract**' to view Promo Employees who will be ending their contract.

BLACKLIST

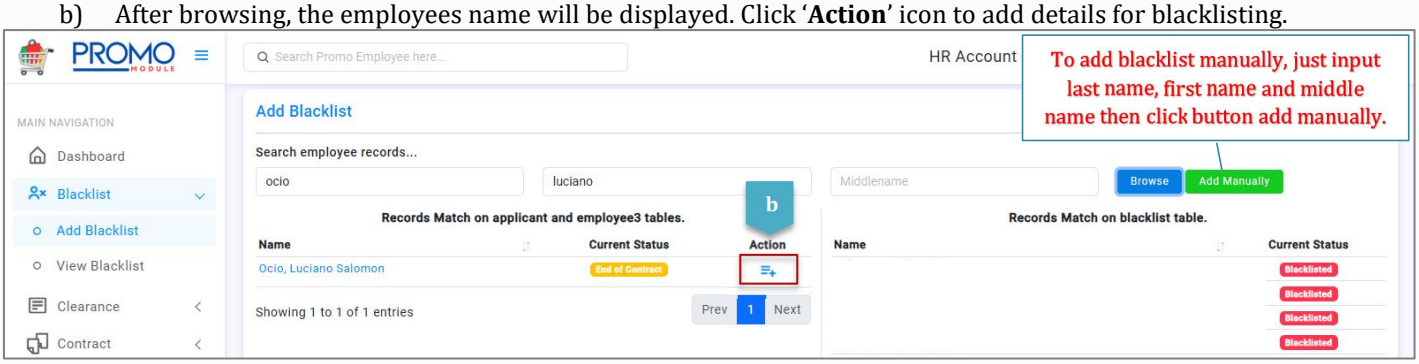

Blacklist Module is a system feature where it manages and displays applicants, employee's or external individuals who are restricted or prohibited from rehiring, engagement, or access due to violations or risks.

1. Add Blacklist

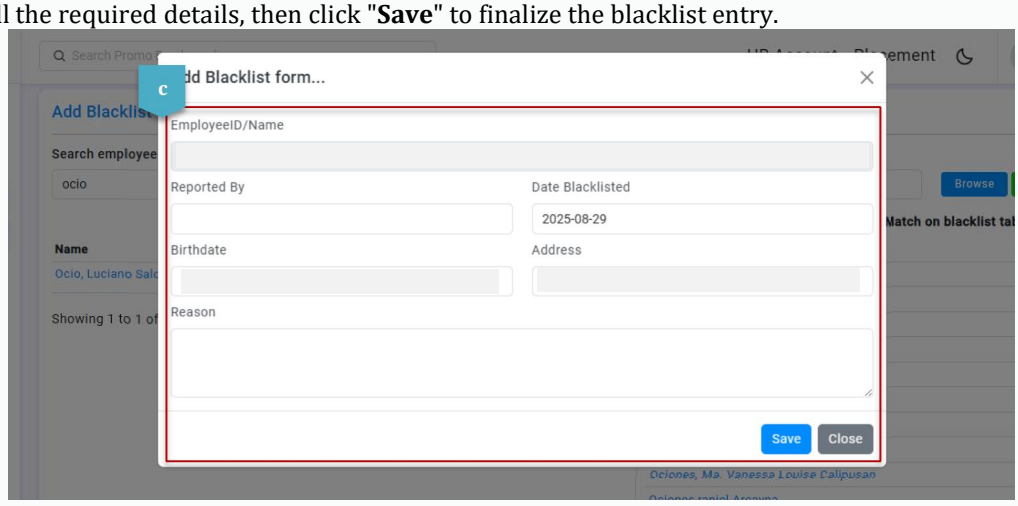

a) Click "**Add Blacklist**". Then search by *Last Name*, *First Name*, and *Middle Name* (if applicable). Then click '**Browse**' button.

b) After browsing, the employees name will be displayed. Click '**Action**' icon to add details for blacklisting.

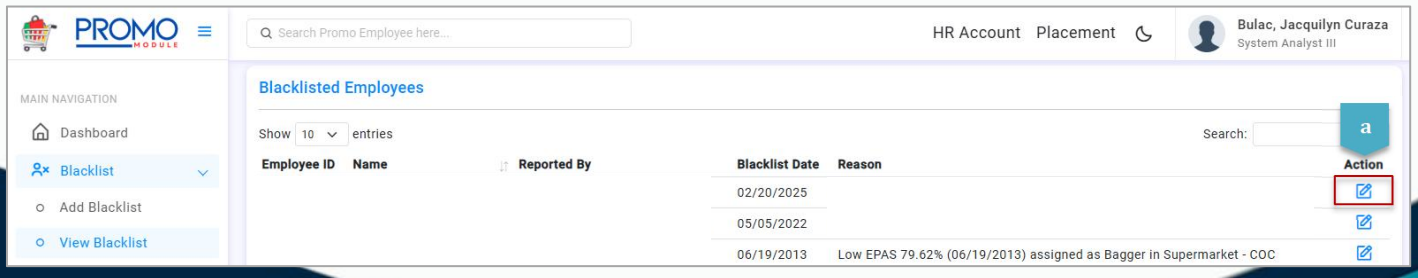

c) Enter all the required details, then click "**Save**" to finalize the blacklist entry.

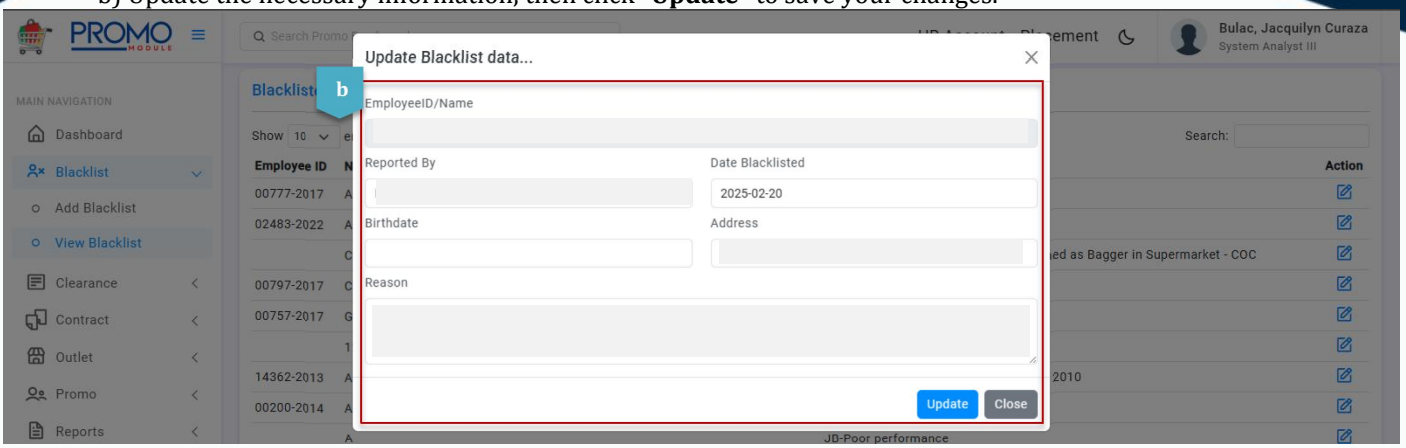

2. View Blacklist

a) Click "**View Blacklist**" to see the list of blacklisted employees. Click "**Action**" to update entry if needed.

b) Update the necessary information, then click "**Update**" to save your changes.

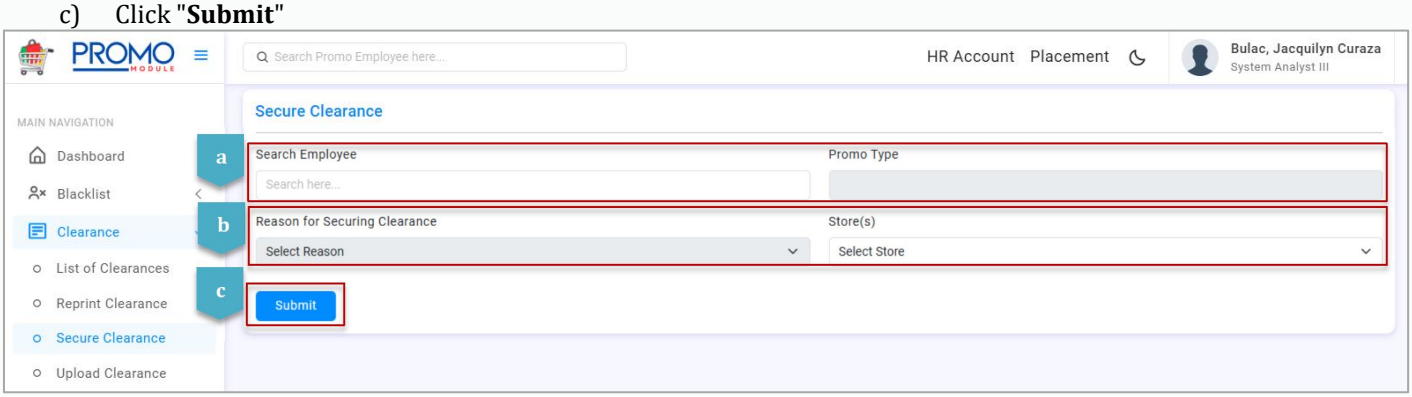

CLEARANCE PROCESSING

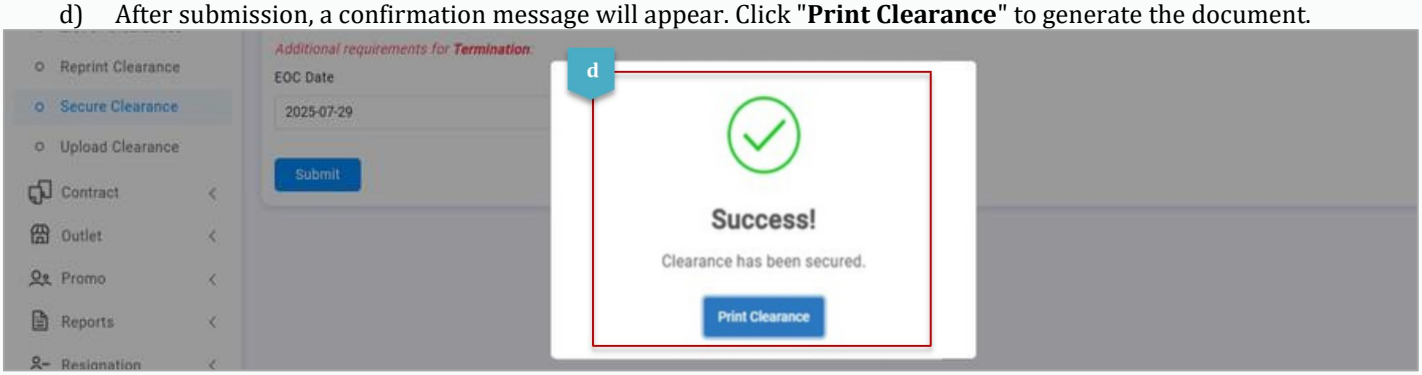

The Clearance Processing module is a system feature used to manage and track the clearance of employees who are resigning or separating from the organization, ensuring that all accountabilities are settled and approvals are secured before separation.

1. Secure Clearance

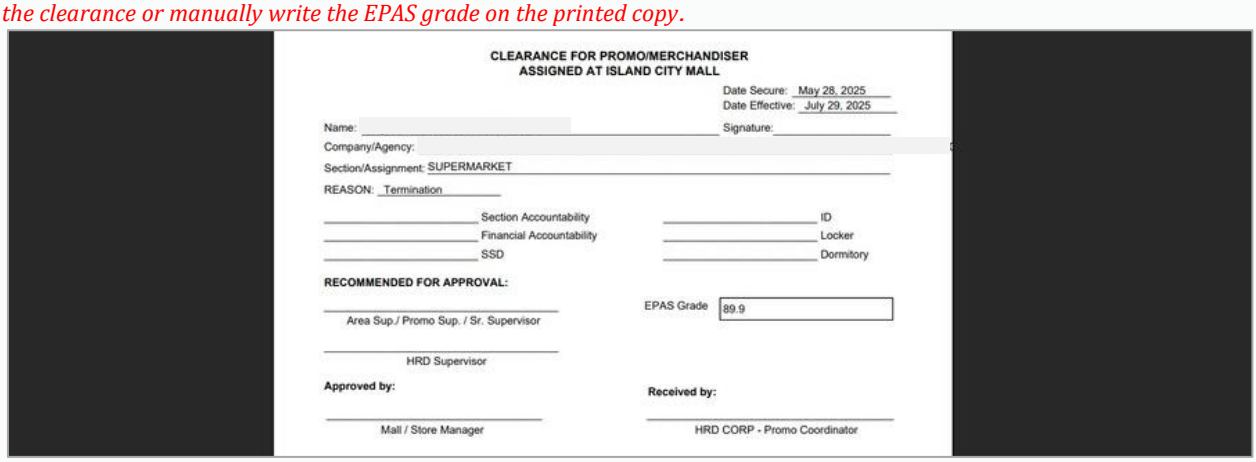

a) Search for the employee's name.
b) Select the **Reason for Securing Clearance** and the corresponding **Store** (if roving).
c) Click "**Submit**"

d) After submission, a confirmation message will appear. Click "**Print Clearance**" to generate the document.

Note: If the printed clearance does not include an EPAS Grade, follow up the employee's Supervisor/Head. Once the grade is provided, either reprint the clearance or manually write the EPAS grade on the printed copy.
